Wine News

Alan had a quick trip to London to attend the annual RAW Fair, in May. (full info at www.rawfair.com)

A world wide collection of outstanding Organic / Biodynamic and natural artisan made wines. Some amazing producers, with a great feeling of comradery, were in the room. Our wines had a great response from the trade and public alike. As part of a book launch by Jancis Robinson MW, Julia Harding MW and Dr Jose Vouillamoz for their epic book, "Wine Grapes" during RAW they staged a mini tasting, only six wines were chosen out of the hundreds on tasting and we were honored to have our 2010 Lagrein as one of them. To Quote Julia Harding "Keep on pioneering". We will never stop!

As Australia's latest (and

only 5th) member of the world wide exclusive winery group; La Renaissance-des-Appellations, (Full info @www.biodynamy.com) we are well pleased to be in such elite company, with the likes of Cullen's, Jasper Hill, Ngeringa and Castagna from Australia and further a field Domain Lafarge, Domain Leflaive, Domain Leroy from Burgundy to name a few.
